

ANSTON STONE, used for Building the New House of Parliament.—W. WRIGHT and Co. beg to inform Architects, Engineers, Builders, and others, the Anston Stone can be supplied in any quantity at the lowest prices. This valuable stone, celebrated for its durability, colour, and texture, is well known, having been selected in preference to all others, by the Commissioners of Woods and Forests, for building the New House of Parliament. It is very superior for Monumental, Tomb, &c. &c.

W. Wright and Co. have made arrangements to have a stock always on hand at Brims' Marble and Stone Yard, Horsehill, near London, and at the same time, to have a stock of Anston Stone, and also of the best Portland Stone, on hand, at T. SHARP, their Sole Agent in London, 27, Barrow-street.

CAEN STONE SPECIALLY SELECTED FOR EXTERNAL WORKS.—LEARD, BEECHAM, and Co., extensive proprietors of Caen Stone, Alençon, and other French Stones, selected at Caen and imported direct to their Depot.

ADDITIONAL STONE is available in colour and texture, has no shell, flint, veins, and other obstructions in working. Its durability may be demonstrated by specimens obtained from ancient buildings, and now at the office of L. B. and Co., also by the Tables of Chemical Analysis, by K. Phillips, Esq., F.R.S., &c., by its application to the Lighthouse, the Royal Chateau, and other public works in Normandy. The price being the same as Portland, renders it a useful competitor.

MANVILLE STONE of the best description, similar to Brimsley Fall, suitable for heavy ground works, hydraulic purposes, dock and quay walls, &c.

A large stock of the above always on hand at Caen, Brimsley, Wharf, Rotherhithe; Vauxhall-bridge; Northern Wharf, Rotherhithe; No. 4 Wharf, Pudding-lane; and Kennington, near Elephant and Castle, London.

Shipments direct to all parts of the United Kingdom, from the North-west, through, and at Caen Wharf, Rotherhithe. The Waterman steam boats run from Westminster and London bridges to Laverdure pier, close to Caen Wharf.

CAEN STONE.—W. and J. FREEMAN

offer Caen Stone, guaranteed from the best quarries in Allier, in stone at 18 per cubic foot, delivered to vessels or waggon, from their depots at the docks at the Wharf and Rotherhithe Wharf, 14, Fore-street, Limehouse. Contracts taken for any quantity.—Carriage shipped to order, from Caen, to any part of the coast, on the same terms as for Mr. MANVILLE, at the office, 28, New-street, Borough Market, or to Mr. S. WEBSTER, at the Wharf.

CAEN STONE DEPOT.—"ORIGINAL

SUPPLANCE" NORWAY WHARF, GREENWICH. W. TUCKWELL, Caen Stone Quarry Proprietor at Allier, near Caen, respectfully solicits the attention of architects, builders, clerks of works, masons, and others, to the SELECTED STOCK of CAEN STONE, on his wharf at Greenwich, and from his long practical experience in the various qualities of Caen stone, he confidently states that this Caen stone cannot be surpassed.

W. TUCKWELL has always at his disposal, on the quay at Caen, a large quantity ready for shipment when required. Orders preferred at the wharf, at the office of Mr. R. S. WITHERS, 11, Withall's, Architects, in Chancery, where samples and prices, with further information, may be obtained.

N.B. Samples may also be seen at the office of "The Builder."

MARKET WHARF, REGENT'S-PARK
